

Privacy Policy

This Privacy Policy governs the collection, use, and disclosure of personal information in relation to our online educational trading course. By accessing and using our course, you agree to the terms of this policy.

- **Information Collection:** We may collect personal identification information from users when they register, subscribe, or interact with our course. Non-personal identification information may also be collected during user interactions.
- **Information Usage:** We collect and use personal information to improve user experience, enhance our course offerings, and send relevant updates and communications.
- **Information Protection:** We implement appropriate security measures to safeguard personal information against unauthorized access, alteration, disclosure, or destruction.
- **Information Sharing:** We do not sell, trade, or rent personal identification information to others. Generic aggregated demographic information may be shared with trusted affiliates and advertisers for specific purposes.
- **Changes to Privacy Policy:** We reserve the right to update this Privacy Policy. Users are encouraged to review it periodically for any changes.
- **User Acceptance:** By using our course, you indicate your acceptance of this Privacy Policy.

For any questions or concerns regarding this Privacy Policy or our course practices, please contact us.
